MISSION

Since launching in 2014, *InStore Magazine's* mission has been to create a compelling magazine dedicated to independent retailers each and every quarter.

InStore Magazine Inc. is a market-focused publisher solely committed to indie store owners. In 2018, I purchased *Giftbeat*, a legacy U.S. publication founded in 1993. With two titles and over 25 years industry experience, we're deeply knowledgeable about and passionate about the issues that resonate most with readers.

Over 12,000 boutique retailers in Canada have come to trust and rely on *InStore*, and during the past decade our advertising partners have come to rely on the magazine's ability to reach and engage our audience in a way that drives impressive returns.

Our advertising partner's promotions reach more buyers than they could possibly imagine entertaining at a trade show. With a consistent presence, vendors open new accounts and drive sales every day, which is why the majority of our advertisers have been with *InStore* since day one.

Advertising in *InStore* has a proven track record of being the most affordable and effective way to reach Canadian buyers in the industry today.

Let us introduce you to our loyal readers, and help build your business.
